The purpose of this meeting was to review and approve the claims of the County Highway Department. The minutes from the previous meeting were approved. The following items were discussed:

MAINTENANCE CREW: The Mason County Highway Department's Maintenance crew addressed a slope failure on Co. Rd. 2400 N (County Highway 14) and continued patching any deficiencies on various County Highways.

2025 MAINTENANCE CONTRACTS: IDOT approved the submitted bids from the letting held on March 31st. All contracted maintenance work for 2025 is able to start.

GLACIER SANDS ANNUAL OPERATION FEE: The Highway Department received the Annual Operation Fee for the Glacier Sands Wind Project in the amount of \$1,319.99.

CRANE CREEK COUNTY AID: Crane Creek Township submitted a formal petition requesting County Aid on a culvert replacement on Co. Rd. 2790 E. The total estimated cost is approximately \$38,000, where the County would be responsible for 50% of the total cost and the Township would pay the remaining 50%.

CULVERT REPAIR ON CH 21: The Mason County Highway Department received data establishing an adequate culvert diameter for the proposed repair at Co. Rd. 1200 N and Co. Rd. 2400 E. The Highway Department conducted a survey at the intersection and is scheduling meetings with local contractors to obtain quotes to complete the scope of work the repair requires.
