The purpose of this meeting was to review and approve the claims of the County Highway Department. The minutes from the previous meeting were approved. The following items were discussed:

MAINTENANCE CREW: The Mason County Highway Department's Maintenance crew began spray patching for the 2025 maintenance year.

CRANE CREEK TOWNSHIP BRIDGE: A preconstruction teleconference for the Crane Creek bridge replacement over Killion Ditch was held on Thursday May 1st. Otto Baum, the prime contractor, stated their anticipated start date will be the middle of June due to a supply shortage.

MAY BOARD MEETING TOPICS: The Mason County Engineer discussed the resolutions being presented to the County Board at the May Board meeting. The two resolutions coming from the Highway Department are for an Agreement between Mason County and IPWMAN and a Petition for County Aid on a culvert replacement in Crane Creek Township.

SALT CREEK SOLAR: Primoris Renewable Energy is remobilizing to the Salt Creek Solar project May 15th to finalize the project. A construction meeting will be held on site May 15th in order to establish the remaining roadway items that need to be addressed on Salt Creek and Mason City Township roadways.

CULVERT REPAIR ON CH 21: The Mason County Highway Department is currently obtaining quotes from contractors on the scope of work required for a culvert replacement.
