The purpose of this meeting was to review and approve the claims of the County Highway Department. The minutes from the previous meeting were approved. The following items were discussed:

MAINTENANCE CREW: The Mason County Highway Department filled washouts on various County Highways. A failing culvert on County Highway 5 (CR 700 N) was repaired by the county's maintenance staff. The Highway Department's maintenance crew began reclaiming shoulders on various highways.

SALT FY26-27: The Highway Department is obtaining material to mix with salt for snow removal operations. Townships and Villages within Mason County are scheduled to get their allotted salt / salt cinder mix the second week in November.

PURPLE WAVE AUCTION: Equipment the Highway Department has listed on the Purple Wave auction closes October 27th at 10:00 AM.

COYOTE ROAD SOLAR: Discussions regarding an oversized/overweight load permit traveling to the proposed Coyote Road Solar project north of San Jose have taken place between the Mason County Highway Department, RWE, and Buckingham Heavy Transport. A meeting to discuss the proposed delivery route is scheduled for Monday October 26th at 11:00 AM.
